

Basics of Bird Watching – Vera Walters

1 class, 2 sessions (should attend both)

4 hours in class; 3 hours in the field

Sat. March 31 in at Smiling Dog Learning Center

8:00 a.m. to 12:00 p.m. (bring water and a snack)

Sun. April 1 at Boyce-Thompson Arboretum (time to be announced in class) (bring water and a snack or lunch).

Learn to identify the birds in your back yard by recognizing important field characteristics and vocalizations. You will also learn about binoculars and field guides, where to go birding and what to feed them. Then, we will go on a field outing to practice your new bird identification skills. Please bring to class your binoculars and a field guide if you have one.
