

RAISING BACKYARD CHICKENS IN URBAN SURROUNDINGS

Want the fun of raising backyard chickens in an urban setting? This exciting class will provide you with lots of valuable information and the necessary steps to accomplish that goal. For the novice or experienced “backyarder”, there is something for everyone!

Topics included:

- * *Establishing your purpose for wanting chickens*
- * *City ordinances regarding keeping chickens*
- * *Breeds of chickens*
- * *How to establish predator proof housing for your chickens*
- * *Minimizing waste with proper feeders and watering systems*
- * *Types of feed*
- * *Brooders – Getting ready for those little “fuzzy butts”*
- * *Buying your chicks*
- * *Raising- from fuzzy to feathered!*
- * *Lots of Q and A*

You will leave excited and prepared to have your very own “feathered friends”!

Fee: \$10
